vivo NOKIA TCL bissell LEISURE Builder.ai logitech SAMSUNG

OUR PROJECTS

VIVO

At JOE13, we are proud of our strategic partnership with Vivo, providing comprehensive HR outsourcing solutions that enhance workforce efficiency and operational flexibility. This collaboration reflects our shared commitment to excellence and reinforces our position as a trusted partner in supporting business growth across the Saudi market.

OUR PROJECTS

HBL

We are proud to support HB Leisure (HBL) through tailored HR outsourcing solutions that meet its operational requirements. Covering recruitment, payroll management, and integrated HR operations, our team delivers efficient workforce solutions that support the fast-paced demands of the leisure and entertainment industry.

OUR PROJECTS

BISSELL

We successfully supported BISSELL's entry into the Saudi market by establishing a strong and structured operational presence.

Our team managed the complete setup and deployment of field operations from the ground up, building and overseeing a dedicated field force team of 35+ employees across key locations.

This approach enabled effective market penetration, increased brand visibility, and ensured operational excellence from day one.

OUR PROJECTS

TCL

We delivered end-to-end field force management solutions for TCL across the Saudi market.

Our scope included team management, reporting, and on-ground execution, while overseeing a workforce of 100+ employees across multiple regions.

This enabled consistent performance, optimized operations, and greater control over field activities.

MERCHANDISING

Our merchandising solutions take a comprehensive approach to product presentation and in-store execution, driving sales while strengthening brand visibility and enhancing the overall customer experience.

Covers

Hypermarkets, Shopping Malls, Super Markets, Beauty Salons, Consumer Electronics, Traditional Trade and Pharmaceutical.

Two Main Pillars of our Merchandising Organisation

- Expert Merchandising Team
- Versatile Automation System

NIVEA · SARA Sara Group Holdings · Lyan ليان · المطاحن العربية Arabian Mills

OUR PROJECTS

NIVEA

Our Merchandising Team supported NIVEA to strengthen its in-store product visibility and brand presence. Through strategic merchandising practices and effective shelf execution, we enhanced product accessibility while reinforcing our commitment to quality brand representation and sales growth.

OUR PROJECTS

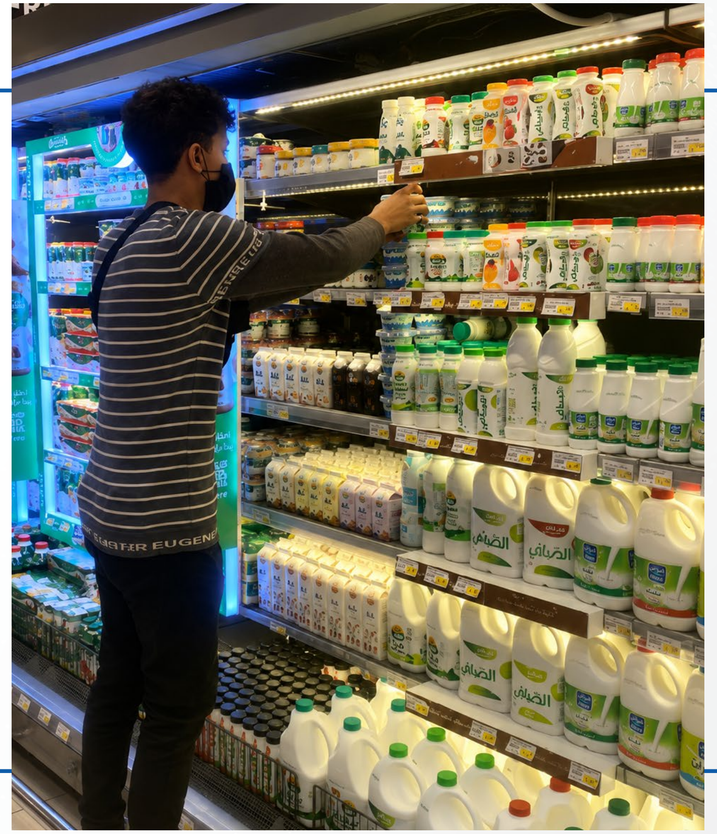
Sara Group

Our Merchandising Team collaborated with Sara Group to enhance product visibility and strengthen its in-store presence. Through strategic merchandising and optimized product placement, we improved brand exposure, enhanced the shopping experience, and reinforced customer engagement.

OUR PROJECTS

LYAN

In our collaboration with Lyan Dairy, our Merchandising Team played a vital role in strengthening the brand's in-store presence and bringing its products closer to consumers. Through strategic planning and tailored execution, we enhanced product visibility and shelf positioning across retail outlets. This partnership reflects our commitment to creating impactful in-store experiences that increase product appeal, drive customer engagement, and strengthen brand loyalty.



OUR PROJECTS

Arabian Mills

Our merchandising team enhanced Arabian Mills' retail performance by maintaining optimal product presentation, monitoring in-store compliance and delivering consistent execution across sales channels.

DISPLAY PRODUCTION

At JOE13, we are specialized in designing and producing high-quality activation stands that enhance brand visibility and engagement.

Throughout concept development and installation, JOE13's team delivers impactful displays that reflect each brand's identity and campaign objectives, creating memorable experiences across retail environments, exhibitions, and outdoor activations.

From concept to execution, our team focuses on innovative designs, durable materials, and seamless installation to deliver impactful displays that align with brand identity and campaign objectives. Whether for retail spaces, exhibitions, or outdoor activations, our solutions create immersive brand experiences that leave a lasting impression.

BISSELL OREO tamara 360° distribution beko

OUR PROJECTS

Beko

JOE13 designed and executed a custom in-store display stand for Beko, reflecting the brand's global identity while maximizing product exposure and enhancing the overall shopping experience.

OUR PROJECTS

Bissell

JOE13 delivered high-impact display stands for BISSELL, turning retail spaces into engaging brand destinations. Every display was strategically designed to attract shoppers, highlight product value, and reinforce BISSELL's premium brand identity.

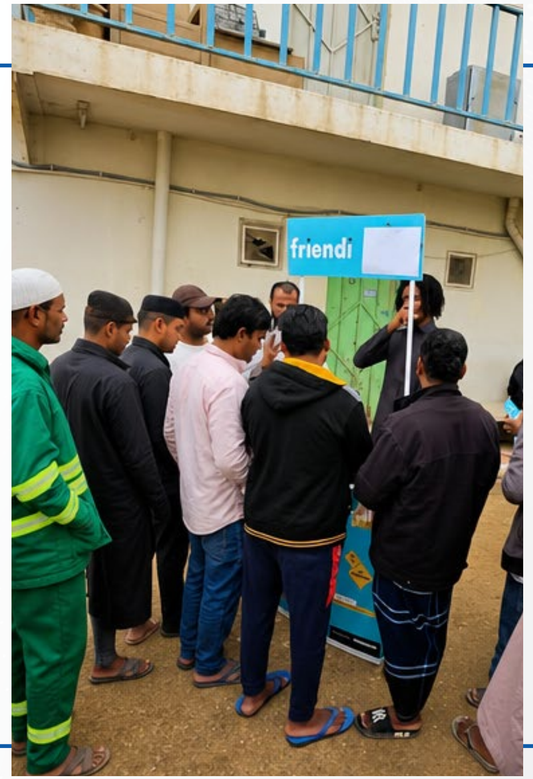
Creating valuable customer touchpoints, expanding brand reach and supporting direct sales across diverse communities.



Activation & Event Management

JOE13 delivers end-to-end activation and event management solutions that transform ideas into impactful brand experiences.

We manage every stage of event planning, production, execution, and live coverage to deliver seamless experiences that strengthen brand presence and maximize audience engagement.

Activation & Event Management

Our Expertise

- Venue sourcing and complete event setup for corporate and promotional events.
- Event production, including AV systems, branding, photography, videography, and POSM installation.
- Event logistics, including catering, giveaways, branded merchandise, and staff management.
- Live social media coverage and customized brand experiences, from concept to execution.

Production Capabilities

Corporate uniforms and promotional apparel.

Premium giveaways, welcome kits, and branded merchandise.

Event branding, POSM, and marketing materials.

Custom production tailored to each activation and campaign.

SUCCESS STORIES

SRYA

We partnered with Srya to execute KAJU in-store activation, delivering a complete brand experience through product sampling and custom-designed promotional giveaways. Every touchpoint was carefully crafted to enhance customer engagement and strengthen KAJU's in-store presence.

THC

JOE13 designed and produced custom-branded cups for THC, delivering premium-quality products that reflected the brand's identity. The project ensured a consistent visual presence while enhancing the overall customer experience.

SUCCESS STORIES

CITY WALK

JOE13's Activation Unit brought the City Walk experience to life by creating engaging brand activations that connected with the local audience. Our team designed interactive and memorable experiences that enhanced brand visibility, captivated visitors, and strengthened customer engagement. Through tailored activations and seamless execution, JOE13 delivered a lasting impact for both brands and attendees.

HERSHEYS

Our collaboration with Hershey's, one of the world's most iconic chocolate brands, showcased the impact of creative brand activations. By designing immersive and engaging experiences, we brought the essence of the brand to life and created meaningful connections with its audience. Through interactive concepts and on-ground activations, every detail was carefully executed to celebrate the joy and indulgence Hershey's is known for, leaving visitors with memorable experiences and a lasting brand impression.

SUCCESS STORIES

TOSHIBA

We successfully delivered a comprehensive on-ground activation for Toshiba, designed to strengthen brand visibility and create meaningful customer engagement within a dynamic retail environment. Through interactive product demonstrations and direct consumer interaction, we effectively showcased key product features, increasing customer interest and reinforcing Toshiba's presence at the point of sale.

PHILIPS

We executed a high-impact activation campaign for Philips to elevate brand awareness and foster meaningful customer engagement. By combining strategic product placement with interactive brand experiences, we showcased Philips' innovation and product advantages, driving customer interest while strengthening the brand's position within the retail environment.

SUCCESS STORIES

Al Jaddaf

JOE13 executed a successful in-store activation for Al Jaddaf during the Mega Sales campaign at eXtra. Our team managed the on-ground execution, engaging shoppers and enhancing the brand's visibility through a well-coordinated activation that delivered an impactful customer experience.

GOODYS KITCHEN

In collaboration with Goody's Kitchen, we brought the brand's vision to life through a dynamic on-ground activation designed to create meaningful customer engagement. By developing immersive brand experiences tailored to the target audience, we enhanced brand visibility and strengthened customer connections. Combining creative concept development with flawless execution, every detail was carefully managed to deliver maximum impact, ensuring the brand was not only seen, but truly experienced. This successful partnership reflects our ability to transform creative ideas into memorable brand experiences that leave a lasting impression.
